IS 2019 Conferences

Slovenian conference on artificial intelligence
Professional ethics
People and environment
International conference on cognitonics
Middle-european conference on applied theoretical computer science
Cognitive science
Robotics
Data mining and data warehouses
Education in information society
Human-computer interaction in information society
International conference of transfer of technologies
6. Student computer science research conference

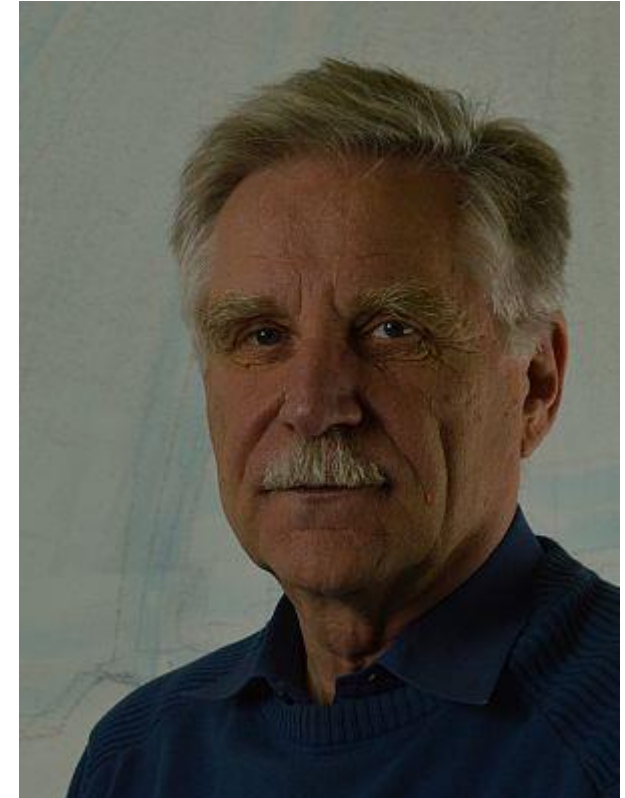

Slovenian conference on artificial intelligence/Slovenska konferenca o umetni inteligenci

- Mitja Luštrek
- Rok Piltaver
- Matjaž Gams

Professional ethics/Etika in stroka

- Franci Pivec
- Marjan Krisper

People and environment/Ljudje in okolje

- Tomaž Ogrin
- Janez Malačič

International conference on cognitonics /Kognitonika

- Vladimir A. Fomichov
- Olga S. Fomichova

Cognitive science/Kognitivna znanost

- Olga Markič
- Toma Strle

Robotics/Robotika

- Andrej Gams
- Aleš Ude

Data mining and data warehouses

/Izkopavanje znanja in podatkovna skladišča

- Dunja Mladenić
- Marko Grobelnik

Education in information society /Vzgoja in izobraževanje v informacijski družbi

- Uroš Rajkovič
- Borut Batagelj

Human-computer interaction in information society/Interakcija človek računalnik v informacijski družbi

- Bojan Blažica

International conference of transfer of technologies/Mednarodna konferenca o prenosu tehnologij

- Robert Blatnik
- Špela Stres

Middle-european conference on applied theoretical computer science/Srednje-evropska konferenca o uporabnih in teoretičnih računalniških znanostih

- Andrej Brodnik
- Benedek Nagy
- Borut Žalik
- Ervin Győri
- Gabriel Istrate
- Gerhard Reinelt
- József Békési
- Miklós Krész
- Thomas Pock
- Ulrich Pferschy

6. Student computer science research conference/6. Študentska konferenca o računalniškem raziskovanju

- Matjaž Krnc
